

This is Crystal from Teamwork Model Technology Co.,Ltd.

<https://gdteamwork.en.alibaba.com/>

Our factory specialized in CNC rapid prototype and sheet metal parts for 15 years in China. We also provide customized services and have more than 50 sets machine. For the plastic/metal parts or product prototype, we are able to machine them for you. If there is any product that needs a prototype, send me the product drawings(in STL, IGES or STEP format). Let us have an opportunity to analyze and quote for you.
