AVOCADO CUBES SPECS

Product: Hass avocado cubes (Chunks)

Origin: Michoacán, México

Packaging: 10 bags of 1 kg in a box of 10 kg

Ingredients: Fresh, natural and selected Hass avocado.

The Avocado (HASS) is selected according to a strict quality process which consists of washing, peeling and sanitizing the pulp before freezing it at -18°C . The Avocado has an optimal state of maturity, color, flavor and characteristic texture of the fruit. It is ready for consumption or to be used as an ingredient in secondary processes.
