

B&G is LIFE

COMPANY INTRODUCTION

Since its foundation in 2016, B&G is Life Co., Ltd. is a leading Research Institute Company that is dedicated from development and manufacturing of Korean-ginseng products by blending it with medical plants of asian country, to grow as a global company providing health care solutions for human beings.

In order to show off its leading position as the birthplace of ginseng, we are exporting own-brand products using Korean-ginseng with medical plants of Asian country for producing the health food.

B&G is Life's Products.

YASAM

4 Ways to Enjoy SUNSIMWON YASAM

SUNSIMWON YASAM

It's not enough to take the medicinal value of Korean ginseng, so we created our brand-new ginseng beverage, SUNSIMWON YASAM! SUNSIMWON YASAM offers a superb sweetness by blending palmyra palm sap and neutralizing the bitter taste of ginseng.

YASAM can also be enjoyed by mixing it with milk, iced water, warm water, or carbonated water.
