

COMPANY INTRODUCTION

Established in 2014, Okra International Co., Ltd. is growing with the goal of sourcing, developing, and exporting competitive products to countries worldwide.

Starting with cooperation with our local partner in Indonesia, we have continuously expanded our overseas distribution network and do our best to establish ourselves in the global market. Okra International Co., Ltd. will be a company that strives to commit to its goal even amidst competition with rapidly evolving global companies

TOK-POKI Sauce

K-BUNSIK TOK-POKI

K-BUNSIK TOK-POKI is an iconic Korean snack that people of all ages like and can enjoy at home. Its rice cakes are made with rice less than a year after polishing. It is chewy and soft. Its tasty sauce is made only with dried red pepper powder instead of red chili pepper paste (gochujang). You can enhance various dishes, such as vegetables, fish cake, and rice.
