| 5 Second Folding Hanger

Organize your life in 5 seconds

With our five-second folding hanger, you can **organize** your life faster and easier by arranging your clothes in the blink of an eye.

Key Fetures

- **200% space utilization** : Designed for hanging clothes at a higher level, creating more storage space beneath
- **Quick and Easy** : Helps organize clothes, making them easy to find; even after laundry, you can easily put them from the drying rack to your closet.
- **360 degree rotary ring** : Prevents creased fabric.

| Company Introduction

Company Name : Ezam

Ezam means “easy” & “fun.” We make easy & fun innovative products for the world and ensure that each product makes life more convenient. We invented the “5-second hanger” in 2020 and sold 100 million units via the Korea TV home shopping show. We secured patents & design registrations in Korea, US, China, Japan, Taiwan, and Europe. People in Japan and Germany love this item, and we are trying to widen our market.
