Item No.	Product Name	Product Description	Unit	QTY.
JC-A15	 <p data-bbox="232 1158 611 1187">2.2L Pet Water Fountain</p>	<ol style="list-style-type: none"> 1. Novel appearance, ABS material, 2.2L capacity design. 2. The water storage bucket is semi-transparent design, and the storage body is engraved with the capacity mark. 3. The 360-degree arc diversion port can quickly filter impurities and floating hair to the filter element. 4. The DC water pump is designed with colored lights, and is equipped with a light control switch, which can be controlled to turn on or off; the colored light is on during normal operation, and the red light is on when there is water shortage, the user is reminded to add water in time, and it will run automatically after adding water. 5. Simple inner barrel structure design, worry-free cleaning. 6. 5V silent DC water pump, with water level sensor, automatically stops working when water is short, and runs automatically after adding water. 7. The power cord is 1.8 meters long and has a USB socket and is equipped with a 5V 1A power adapter. 8. The filter element uses coconut shell activated carbon, which is environmentally friendly and has a good filtering effect. 9. Chinese design patents, utility model patents, EU design patents, and US design patents. 10. Certification: CE ROHS FCC IPX8 FDA test report. 	PCS	504
