LP OVER TRENCH COAT

A double trench coat

LP OVER TRENCHCOAT is a double trench coat made of solid, smooth cotton 20 water high density twill material. You can wear it in modern and classic daily wear. Double-breasted closing and real pockets on both sides increase practicality.

Open-closing is easy with the front center button. It can be safely closed by attaching the inner button. There are adjustable straps on the waist that allow various styling using buckles. There are detachable straps on the neck and sleeves, which can be adjusted using buckles. The sleeves can be made in a natural mood without rolls.

Styling Tip

If you open it loose or close it, you can wear it in a classic way. It's a neutral beige color that can be produced with a variety of tops such as shirts and T-shirts.

Company Introduction

Company Name : LARTIGENT

LARTIGENT sets a concept every season and develops its design. LS Season developed its design inspired by Eric Romer's film 'Spring Story,' which was released in 1990. It conveys the brightness of the mood and tulips of Paris, France, in a visual image, and suggests daily wear with a warm spring feeling in our hearts that cringe throughout the winter.
