Product Info.

I MPC Bubble Pore Cleanser

300ml of bubble foam cleanser that lowers skin temperature for sebum and pore care

- Natural hypoallergenic surfactants extracted from coconuts and patented ingredients extracted from 7 plants wash off dirt and makeup residues on the skin without irritation and give a moisture finish.
It lowers skin temperature heated by fine dust and external stress to tighten skin and care pores and helps to temporarily relieve itchiness caused by dryness to maintain supple skin.
- For all skin types including acne and oily skin
- **How to use** : Apply an appropriate amount evenly on dry skin, massage lightly until bubbles form, then rinse thoroughly with lukewarm water.
- **Main ingredients** : Natural protector, MPC, Allantoin, Betaine Arginine, Disodium Cocoamphodiate, Green tea extract

I MPC Aqua Soothing Toner & Mist

200ml of Toner & Mist that replenishes the skin whenever you want while soothing sensitivity

- The soothing toner helps to provide firm and moist skin as the first step of skincare.
It is a moisturizing and soothing toner and mist that contains Provence rose water rich in moisture, helps you maintain the optimal level of moisture on the skin, making the skin soft and clear, and the patented ingredient extracted from 7 plants comfortably cares for the sensitive skin and maintains a clear and clean.
- For all skin types including dry and sensitive skin
- **How to use** : After washing your face in the morning and evening, spray on a cotton pad and apply it, or close your eyes and spray an appropriate amount of toner and leave it to absorb.
Use whenever you feel dry.
- **Main ingredients** : MPC, Natural protector, Provence rose water, Bambusa vulgaris extract, Centella asiatica extract, Arginine, Allantoin

MPC Velvet Glow Serum

50ml of highly concentrated and powerful firming serum with a non-sticky texture and radiance effect

- Glow serum to improve skin elasticity. The silky velvet touch and instant glow make the skin balanced, elastic, and healthy. The core naturally derived ingredients, Glycine soja peptide, Swiftlet nest extract, and Hydrolyzed collagen, protect against environmental stress and make it smooth and lively. In addition, it penetrates deep into the skin without greasiness or stickiness and is absorbed to make it supple and bright.
- For aging and dry skin
- **How to use** : After washing your face, apply an appropriate amount to your face and neck, then pat lightly to absorb.
- **Main ingredients** : MPC, Glycine soja peptide, Swiftlet nest extract, Hydrolyzed collagen, Chamomile extract, Propolis wax
