

“LUXSQUEEN” series used with
“WEERO” Devices

Apollo Alpha

Apollo Duet

EVE Ace of Face

EVE Synergy

SECRET OF LUXURIOUS GLOW MAKE MORE ELEGANT

LUXSQUEEN

What is
LUXSQUEEN ?

Anti-Wrinkle Ampoule is,

It is an innovative anti-wrinkle serum containing peptide patent ingredients and hydrolyzed elastin, an ingredient in patent raw materials.

Whitening Ampoule is,

It is an innovative whitening functional serum containing Winhibin™, a patented tripeptide ingredient, and Rice Lees Extract, an independently developed ingredient related to Oryza Sativa (Rice) Less Extract.

Acne Ampoule is,

It contains Binterin™Solution400, which is patented ultra-low molecular peptide, and EPS SEAPUR HDO, which is made by environmentally friendly methods. These ingredients are helping control sebum secretion.

Energy Sheet Mask is,

A face mask that combines moisturizing, elasticity, and whitening, promoting healthy and luxurious glow skin with long-lasting hydration. Enhanced overall benefits and more helpful for healthy elasticity care when used with 'EVE Ace of Face' and 'EVE Synergy' devices.

‘LUXSQUEEN Energy Mask Sheet’ can be used in conjunction with the Microcurrent function installed in the EVE series to maximize the ingredients of cosmetics and deliver to the skin.

‘LUXSQUEEN CORE SERUM’ can effectively absorb the functional ingredients of cosmetics into the skin by using the RF(Radio Frequency), EL(Electroporation) EMS (Electric Muscle Stimulation), and Microcurrent functions installed in Weero’s devices according to the situation.

SECRET OF LUXURIOUS GLOW MAKE MORE ELEGANT

LUXSQUEEN

The best **peptides and exosomes** are mixed in an optimal recipe depending on the cosmetic function.

Functional cosmetics that certificated from Ministry of Food Drug Safety.

Why
LUXSQUEEN ?

Seek **stability** for maintain effective ingredients at -20°C of low temperature and 45°C of high temperature.

Confirmed product’s superiority through **clinical test** in specialized institution.

LUXSQUEEN CORE SERUM

Anti-Wrinkle Ampoule

Functional cosmetics of wrinkle improvement

LUXSQUEEN CORE SERUM

Whitening Ampoule

Functional cosmetics of whitening

LUXSQUEEN CORE SERUM

Acne Ampoule

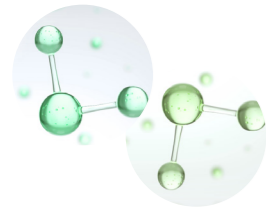

LUXSQUEEN Energy Sheet Mask

Dual functional cosmetics of whitening and wrinkle improvement

Main Ingredients

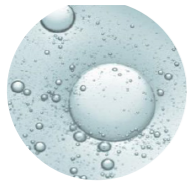

Antiagin™ Solution 100

Ultra-low molecular weight peptides consisting of Synepin™ and Sydermin™. Synepin™ and Syndermin™ are peptides derived from EGF and FGF, respectively.

ECM-5(HD)

Hydrolyzed Elastin obtained by enzymatic treatment of the shell of pollack.

Hydra-EXO

High potency 'Hydrangea Exosome' developed through an optimized extraction method.

Main Ingredients

Winhibin™

A tripeptide derived from sFRP5, which is a peptide that has the effect of inhibiting melanin synthesis in the melanin formation process.

Rice Lees Extract

Natural ingredient that is made of natural-derived 'Rice Lees', is excellent in nutritional, and contains a variety of active ingredients such as proteins and organic acids etc.

(V) BioExo Water (Tomato)

Combination of tomato extract and exosome ingredients

Main Ingredients

Binterin™ Peptide

Ultra-low molecular weight peptides that control the inflammatory response of sensitive and aging skin.

EPS SEAPUR HDO

Exopolysaccharide (EPS) produced by marine plankton, which is about 73% similar to human microorganisms.

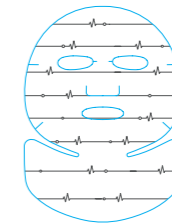

Rosemary Exosome

Combination of rosemary extract and exosome ingredients

How to use (1)

- 1 After cleansing, place the mask on your face, and evenly press to attach it completely on face and neck.
- 2 Leave on for 10-20 minutes, then remove gently.
- 3 Massage remaining Ampoule on the skin.

How to use (2)

- 1 After operation, place the mask on your face, and evenly press to attach it completely on face and neck.
- 2 Connect at the end of the mask sheet the microcurrent wire of 'EVE Ace of Face' or 'EVE Synergy' to maximize the delivery of active ingredients.
- 3 Leave on for 10-20 minutes, then remove gently.
- 4 Massage remaining Ampoule on the skin.

Benefits

- | | |
|-----------------------|----------------------------------|
| 1 Wrinkle improvement | 5 Strengthening elasticity |
| 2 Anti-aging | 6 Strengthening the skin barrier |
| 3 Anti-inflammation | 7 Stimulus relief |
| 4 Skin regeneration | 8 Moisturizing |

Benefits

- | | |
|----------------------------------|---------------------|
| 1 Whitening | 4 Antioxidation |
| 2 Soothing skin | 5 Anti-inflammation |
| 3 Strengthening the skin barrier | 6 Moisturizing |

Benefits

- | | |
|---------------------------------|---------------------------|
| 1 Anti-inflammation | 5 Soothing skin |
| 2 Anti-aging | 6 Strengthen skin barrier |
| 3 Antimicrobial activity | 7 Protein protection |
| 4 Regulation of sebum secretion | |
